## Cream Tea & Cherished Memories at Dungate

Our Cream Tea Party celebration created truly magical moments for our residents, families, and staff. The afternoon was filled with warmth, laughter, and treasured memories as everyone came together to enjoy lovely music, delightful sweet treats, traditional cream teas, and refreshing beverages.

Seeing smiles, joyful conversations, and special family moments shared throughout the home made the day both heartwarming and unforgettable.

# A Joyful Tribute to Our Dedicated NHS Nurses

Our residents filled the morning with smiles and laughter as they lovingly prepared and packed each item, adding care and appreciation into every detail. Residents created beautiful handwritten cards for Nurses' Day, each one bursting with gratitude and kind wishes. We then had the delight of personally delivering the breakfast and cards, turning the moment into a truly special celebration of appreciation. It was a day full of happiness, connection, and pride honouring the incredible dedication of our NHS heroes in the most meaningful way.

# A Beautiful Tapestry of Culture and Togetherness

It was a joyful and vibrant celebration of our Cultural Day, where the home came alive with colour, laughter, and connection. The day beautifully showcased the rich backgrounds, traditions, and stories of our wonderful staff, offering everyone a chance to learn, share, and celebrate together. With residents, families, friends, and staff all joining in, the atmosphere was filled with warmth, pride, and togetherness turning the day into a truly uplifting celebration of diversity, unity, and community spirit.
