## A Perfect Spring Day at Dungate Manor

Sunshine, smiles, and special moments. Our Spring Party was a day to remember! Residents and their families came together to enjoy a beautiful afternoon filled with delicious refreshments, music, and fun garden games. Laughter echoed through the gardens as loved ones spent quality time side by side, making the most of the warm weather and wonderful company. Days like these remind us how important connection, joy, and togetherness truly are.

# Farmyard Fun & Fresh Air Adventures

We enjoyed a wonderful outing to Bocketts Farm, where residents had a great time meeting the animals and feeding them. It was a joyful and relaxing day in the countryside. The trip was especially beneficial for our residents at Dungate Manor Care Home, encouraging social interaction, positive engagement, and a refreshing connection with nature. Most importantly, it brought plenty of smiles and happy moments for everyone involved.

## Music, Smiles & Sunshine at Dungate Manor

At Dungate Manor, residents and staff enjoyed a joyful time together filled with karaoke, singing, and a little dancing. The fun continued outdoors in the garden, soaking up the fresh air and sunshine. It was a simple but special day of laughter, music, and togetherness creating warm memories and plenty of smiles all around.
