Flanchford Road, Reigate Heath, Reigate RH2 8QT

Our boutique luxury home delivering individual care for our residents

Dungate's Little Adventures, Beautiful Memories!

Our residents enjoyed a truly lovely day at Bocketts Farm Park, surrounded by beautiful countryside, adorable farm animals, and a delightful outdoor picnic. From feeding the animals to sharing smiles, laughter, and stories, every moment made the day extra special. It was heartwarming to see how spending time with the animals brought back cherished childhood memories, taking our residents on a beautiful journey down memory lane. The day was filled with happiness, connection, and the simple joys of being together. A memorable outing full of laughter, nostalgia, and precious moments to treasure!

Every Day Tells a Beautiful Story at Dungate!

At Dungate, every day is filled with meaningful moments, thoughtful activities, and opportunities to bring joy to our residents. From our lovely Sherry Socials and visits from Tiny Rony to the laughter shared together, every experience adds something special to daily life. Each activity is carefully planned around our residents' individual needs, interests, and choices. At the heart of everything we do is our commitment to promoting independence, preserving dignity, and creating a warm, caring environment where every resident feels valued, respected, and supported.

Dungate Cares: Kindness Beyond Our Doors!

At Dungate, our care and kindness extend beyond our home and into the wider community. Our residents love making a difference through thoughtful gestures, from preparing goodie bags to supporting community heroes with our Blue Light Breakfast initiative. These meaningful activities celebrate compassion, gratitude, and community spirit, reminding us that even the smallest act of kindness can make a big difference.
