A Magical Macmillan Morning at Dungate

What a magical morning we had at Dungate! Our Macmillan Coffee Morning was filled with the loveliest blend of laughter, heartfelt conversations, generous donations and precious moments shared with the families of our residents. The wonderful team from Surrey Choices added an extra sparkle to the day, bringing warmth, joy and plenty of smiles along the way. For our residents, it was more than just a coffee morning. It was a beautiful celebration of togetherness, kindness and community, creating memories that will warm our hearts long after the last cup of coffee was poured.

Little Scents, Beautiful Memories at Dungate

Every day brings a new opportunity to explore, discover and reminisce at Dungate. One beautiful morning was filled with the fresh aromas of herbs grown right from the garden, creating a wonderful sensory experience for our residents. As familiar scents filled the air, they opened little windows to the past, awakening cherished memories and inspiring stories from years gone by. It was a morning of laughter, reflection, heartfelt sharing and a gentle reminder that sometimes, the simplest scents can carry the most beautiful memories.

Every Day, A New Adventure at Dungate

At Dungate, it's the simple moments that create the biggest smiles. Whether it's enjoying lunch out, a little shopping trip, relaxing in the sunshine, or sharing a planned outing with family, every experience is thoughtfully person-centred and shaped around what brings joy to our residents. With families by their side, we celebrate connection, choice, happiness and one lovely moment at a time.
